ScanPlus 7 42" Scanners

Expand your business opportunities with GTCO CalComp's versatile ScanPlus 7 Series of 42" scanners, featuring advanced technology and quality imaging for color and monochrome scanning. The 42" imaging area is designed to facilitate archival and reprographic tasks with a wide variety of large technical documents, detailed maps and drawings, or color posters and architectural sketches – all at the highest resolution and speed. You get exceptional professional-grade performance with 600dpi optical resolution with speeds of up to 12 inch/second. With uncompromising image quality standards, ScanPlus 7 42" scanners are designed for high-volume productivity for businesses-critical imaging tasks. Whether you are a private business, government or print-for-pay, GTCO CalComp's full range of ScanPlus 7 scanners is the right solution for improved efficiency and productivity.

4-Channel CCD Technology produces unparalleled image quality

Extended Data Transfer Rate improves scanner speed at high resolution

Features

- 600dpi optical resolution standard
- 48-bit color and 16-bit grayscale image data capture from 4-channel CCD technology
- Ultra fast USB 2.0 interface with xDTR (Extended Data Transfer Rate)
- On-board Image Processing: Built-in Sharpen, Blur, Descreen, Error Diffusion, Adaptive Thresholding
- Scan-to-Net function for scanner sharing over a network, and sending files to remote PCs
- Color calibration to sRGB color space
- Upgrade to PLUS model to get higher speed and resolution

Image Quality Without Compromise

With 600dpi optical resolution, the combination of highly sensitive 4-channel CCD cameras and full-sized high-quality camera lenses, ScanPlus 7 42" scanners provide the best image quality available in wide format scanning. With image processing performed inside the scanner, your PC is free to run software more efficiently.

Speed When You Need

GTCO CalComp ScanPlus 7 42" wide format scanners are the fastest in the business with up to 12 inch/second scanning speeds. With three unique 42" models in six different configurations, choosing the right blend of speed and connectivity for your business is simple.
